

# Guardian Interlock

Possible device handset cues while delivering a breath test

---

**Why:** Hum is not loud enough, but Blow is strong enough

**What to do:** Hum louder

**Why:** Hum is too loud, but Blow is strong enough

**What to do:** Hum softer

**Why:** Hum is loud enough, but Blow is too weak

**What to do:** Blow stronger

**Why:** Blow is too weak, Hum not loud enough

**What to do:** Blow stronger and Hum louder

**Why:** Hum is too loud and Blow is too strong

**What to do:** Decrease Hum and decrease Blow
